

ACE Donates to FRS – Foundation for Rural Service

At our 2017 Winter meeting, ACE presented FRS with a \$5,000 donation

The Foundation for Rural Service (FRS), in cooperation with NTCA–The Rural Broadband Association, seeks to sustain and enhance the quality of life in America by advancing an understanding of rural issues. FRS provides annual grants for programs in rural communities to support local efforts to build and sustain a high quality of life in rural America.

The Foundation depends on the generous donations of rural broadband providers, corporate sponsors and individuals to continue to strengthen development in rural America.
