

BIG LEAGUE BROADBAND

2027 ACE SCHOOL & RUS SYMPOSIUM

OMAHA, NE · MAY 4 - 6, 2027

**OMAHA MARRIOTT DOWNTOWN AT THE CAPITOL DISTRICT
222 NORTH 10TH STREET, OMAHA, NE, 68102**

REGISTER AS A SPONSOR TO EXHIBIT AT THE EVENT!

The ACE School & RUS Symposium will be held in Omaha, NE May 4 - 6 at the Omaha Marriott Downtown at the Capitol District. This event will host industry experts from around the country presenting topics essential in today's telecom environment, while also giving attendees access to a wealth of valuable networking opportunities with those most active in the industry, including USDA RUS regulatory experts. We are excited to provide you with the opportunity to showcase your business at the 2027 ACE School and RUS Symposium.

NETWORKING

Every two years, the ACE School & RUS Symposium brings together telecom industry decision makers, consulting engineers and regulatory staff from the Rural Utilities Service all under one roof. The school is an excellent avenue to meet face to face with potential buyers, inform customers about your product, and learn what is important to decision makers in today's market.

MARKETING

ACE School Sponsors are given the opportunity to showcase their products to potential clients during the event with a breakout session. Spaces are limited and exhibit location and scheduling is based on sponsorship level and on a first-come, first-serve basis. Early sign-up is encouraged!

GIVE BACK

Sponsors are important to ACE! Money raised from the School goes back into the community to fund youth scholarships and rural telecom companies and initiatives.
